

Ben Phillips
Guitar Tuition

Dear Parent/Carer,

I am writing to introduce myself and also to offer my services. My name is Ben Phillips and I have been teaching the Guitar in various schools in the local area for the past fourteen years. I have over twenty five years of professional playing experience and I am delighted to offer Guitar lessons at Longlands primary school. My lessons are taught in a fun and informative way, and are an excellent add-on to a student's regular curriculum. Extensive research has shown that taking instrument lessons from a young age can aid a child's development across the board, improving a child's concentration, coordination, self confidence and discipline. Parents can also choose for their children to work towards achieving their exam grades in the Trinity College Syllabus.

Tuition Fees are as follows;

30 minute individual lesson £210 per term (x10 lessons)

20 minute individual lesson £150 per term (x10 lessons)

15 Minute Individual lesson £120 per term (x10 lessons)

Please contact me on 07921676672 or email me at Bensguitartuition@gmail.com with any further questions or queries. I am fully DBS checked, and am able to provide references as required.

If your child would like a FREE 'TASTER' LESSON please contact me via the details above.

Yours faithfully,

Ben Phillips. *BMus.*
